Most of these people speak a Gallo dialect of the Italian language.

ITALIAN (SOUTH).

The people who are native to that portion of Italy south of the basin of the River Po (i. e., compartments of Tuscany, the Marches, Umbria, Rome, the Abruzzi and Molise, Campania, Apulia, Basilicata, Calabria, Sicily, and Sardinia) and their descendants should be classed as "Italian (south)."

Column 11 (*Last permanent residence.*)—Actual or an intended residence of one year shall constitute a permanent residence. The last country in which alien resided with the intention of remaining one year shall be the last permanent residence regardless of length of actual residence therein. The entries in column 11 should be with the country and city or town of last permanent residence. It is important for statistical purposes that steamship companies accurately show country of last permanent residence, independent of temporary residence, country of birth, nationality, or race.

Construed last permanent residence of aliens who are permanent residents of the United States and [illegible] temporarily abroad should be recorded "United States."

Column 12 (*Name and complete address of nearest relative or friend in country whence alien came.*)—The entry should give name and address of such relative. If no such relative living, give name and address of friend.

Column 13 (*Final destination.*)—The answer to this question shall show the intended future permanent residence. An intended residence of one year shall constitute permanent residence. The entry should show definitely the place, city or town, of intended future permanent residence, if within the United States; country, if outside the United States.

Column 14 (*Whether having ticket through to final destination.*)—The answer should be either Yes (ticket) or No (no ticket).

Column 15 (*By whom was passage paid.*)—The entry should show definitely by whom passage was paid, as self, husband, father, brother, or other relative; friend; steamship company, etc.

Column 16 (*Whether in possession of $50, and if less how much.*)—The answer should give in each case full individual amount. The exact amount of money shown. Money brought by the head of a family should not be divided among the several members of the family.

Column 18 (*Whether ever before in the United States, and if so, when and where.*)—The entries should show whether or not (Yes or No) in the United States before, and if so, the year or period of years and place, as, 1894, 1897, Philadelphia.

Column 19 (*Whether going to join relative or friend, and if so, what relative or friend.*)—The answer should show whether going to join either a relative or friend, and if so, what relative or friend, with name and complete address.

Columns 20 to 33.—These questions are self explanatory and the answers, like all others on the sheet, are subject to question by inspection officer in the examination of aliens. However, in answering question 26, if alien has been deported within one year and the Secretary of Labor has authorized him to reapply for admission, the authority for such reapplication should be given.

AFFIDAVIT OF SURGEON

I, Bohec Joseph, Surgeon of the [illegible], sailing therewith, do
(State whether Surgeon proceeding therewith or employed by owners thereof as the case may be)
solemnly, sincerely, and truly swear that I have had Seven years' experience as a Physician
and Surgeon, and that I am entitled to practice as such by and under the authority of Faculty of Vienna

each of the aliens named herein, and that the foregoing Lists or Manifest Sheets, [illegible] in number, according
to the best of my knowledge and belief, are full, correct, and true in all particulars, relative to the mental and physical
condition of such aliens.

NOTE.—If a surgeon sails with the vessel, this affidavit of verification shall be executed before [illegible] last preceding the departure of the vessel, and any changes that may be occurred since are to be noted in the condition of any of the aliens must be noted on the manifest before the affidavit is executed.

If no surgeon sails with the vessel, the affidavit of verification shall be executed at the port of departure before some officer authorized to administer oath.

LIST OF RACES OR PEOPLES

"Race or people" is to be determined by the stock from which aliens sprang and the language they speak. The original stock or blood shall be the basis of the classification, the mother tongue to be used only to assist in determining the original stock.

INSTRUCTIONS FOR FILLING ALIEN MANIFESTS

Separate sheets should be prepared for each port at which passengers embark.

Column 2. *Head tax status.*—Steamship lines should make no entries in this column. The purpose is for use of Government officials only.

Column 4. *Age.*—The answer in this column should be expressed in years for persons over one year of age, and in months for infants under 1 year of age.

Column 5. *Sex.*—The entry should be either M (male) or F (female).

Column 6. (*Married or single.*—The answer should be M (married), S (single), Wd (widowed), or D (divorced).

Column 7. *Calling or occupation.*—The entry should describe as accurately as possible the occupation, trade, or profession of each alien arrival as, for example, Coal miner, laborer, clerk, farmer, engineer, mining engineer, brass polisher, steel polisher, iron molder, wood turner, etc. Avoid the use of such general terms as laborer, polisher, molder, turner, or other indefinite designations.

Distinctions should be made between farmers and farm laborers, regardless of the amount of money they may possess.

A farmer is one who operates a farm, either for himself or for others.

A farm laborer is one who works on a farm for the man who operates it.

Stewards of companies should make this distinction on the manifests, and corrections heard thereon at the ports, by inspectors and registry clerks during the personal examination of the aliens.

Column 8. *Ability to read and write.*—This column is to be provided and contain the following question: Can you read? Can you write? (or if exemption be claimed upon what ground?). In answering this question, it should be ascertained if the alien is able to read and write some language, and not merely whether he can read and write the language in which he is being examined. If the alien is unable to read and write any language, he should be so recorded. Persons over fifty years of age are exempted from the reading requirement, the ground for such exemption should be given.

Column 9. *Nationality.*—Question 9 should be construed to mean the country of which the alien is a citizen or subject.

Column 10. *Race or people.*—See list of races printed on back of this sheet. The entry should show the race or people to which he belongs.

Special attention should be paid to the distinction between race and the country of which citizen or subject, country of last permanent residence, and country of birth, and manifests should be carefully scrutinized by the inspectors and registry clerks in this regard. For instance, 'France' appearing under the column for race or people should not be entered 'French' because of country. An Irish, German, or Hebrew alien is entered by race or people as such, and not as 'British,' 'France' by

INSTRUCTIONS FOR FILLING ALIEN MANIFESTS

Separate sheets should be prepared for each port at which passengers embark.

[illegible]

ITALIAN, NORTH.

The people who are natives of the basin of the River Po in northern Italy, i. e., compartments of Piedmont, Lombardy, Venetia, and Liguria, and their descendants, whether residing in Italy, Switzerland, Austria-Hungary, or any other country, should be classed as "Italian, north." Most of these people speak a Gallic dialect of the Italian language.

ITALIAN, SOUTH.

The people who are natives of that portion of Italy south of the basin of the River Po, i. e., compartments of Tuscany, Parma, the Marches, Umbria, Rome, the Abruzzi and Molise, Campania, Apulia, Basilicata, Calabria, Sicily, and Sardinia and their descendants should be classed as "Italian, south."

Column 11 (*Last permanent residence*). Actual and intended residence for one year shall constitute permanent residence. The last country in which alien resided with the intention of remaining one year should be the last permanent residence, regardless of length of actual residence therein. The entries in column 11 should show the country and city or town of last permanent residence. It is important for statistical purposes that steamship companies accurately show country of last permanent residence, independent of country of temporary residence, country of birth, nationality, or race.

Omit entries of last permanent residence of aliens who are permanent residents of the United States and who return from a visit abroad. Do not record as "United States."

Column 12. *Name of [illegible] address of nearest relative or friend in country whence alien came.* The entry should show the name and address of such relative. If no such relative living, give name and address of friend.

Column 13. *Final destination.* The answer to the question shall show the intended future permanent residence. An intended residence for one year shall constitute permanent residence. The entry should show definitely the place to which ticket of intended future permanent residence, if within the United States, is booked. Do not state "New York." Do not state "United States."

Column 14. *Whether [illegible] to join relative or friend and if so, what relative or friend.* The answer should be either Yes or No.

Column 15. *Ever in prison, etc.* The entry should show definitely by whom passage was paid—whether by the alien himself, by the government, by relative, friend, steamship company, etc.

Column 16. *Whether in possession of $50, and if less than $50.* The answer should give in each case individual or family the exact amount shown. Money brought by the head of a family should be declared against the several members of the family.

Column 18. *Whether ever before in the United States, and if so, when and where.* The entries should show whether or not Yes or No in the United States before, and if so, the year or period of years and place, as "1891, 189.., Philadelphia."

Column 19. *Whether going to join relative or friend, and if so, what relative or friend.* The answer should show whether yes, by, or to other relative or friend, and if so, what relative or friend, with name and complete address.

Column 20 (33). The questions are self-explanatory and the answers, like all others on the sheet, are subject to examination by officers charged with the examination of aliens. However, in answering questions numbered 33, if the alien has been in the United States one year and the Secretary of Labor has authorized him to apply for admission, the authority for such application should be given.

AFFIDAVIT OF SURGEON

234

I, Bohce Joseph, Surgeon of the ..... Sailing therewith, do
State whether Surgeon sailing therewith or employed by owners thereof, as the case may be.
solemnly, sincerely, and truly swear that I have had seven years' experience as a Physician
and Surgeon, and that I am entitled to practice as such by and under the authority of faculty of Boston
....., and that I have made a personal examination of
each of the aliens named herein, and that the foregoing Lists or Manifest Sheets, [illegible] in number, according
to the best of my knowledge and belief, are full, correct, and true in all particulars, relative to the mental and physical
condition of such aliens.

Sworn to before me this ..day of , 19

NOTE.—If a surgeon sails with the vessel, this affidavit of verification shall be executed before examination of aliens at port of departure; and any changes that may have occurred in the condition of any of the aliens must be noted on the manifest sheet to the affidavit executed.

If no surgeon sails with the vessel, the affidavit of verification shall be executed at the port of departure before [illegible] authorized to administer oaths.

LIST OF RACES OR PEOPLES

AFFIDAVIT OF THE MASTER OR COMMANDING OFFICER, OR FIRST OR SECOND OFFICER

I, Jubelle Jean, second officer, of the "LA TOURAINE", from Havre, do
(State whether Master, First, or Second Officer)
solemnly, sincerely, and truly swear that I have caused the surgeon of said vessel sailing therewith, or the surgeon employed by the owners thereof, to make a physical and mental examination of each and all of the aliens named in the foregoing Lists or Manifest Sheets, thirty in number, and that from the report of said surgeon and from my own investigation, I believe that no one of said aliens is of any of the classes excluded from admission into the United States by section three of the Immigration Act, and that also, according to the best of my knowledge and belief, the information in said Lists or Manifests concerning each of said aliens named therein is correct and true in every respect.

J. Jubelle
Second Officer.

INSTRUCTIONS FOR FILLING ALIEN MANIFESTS

Separate sheets should be prepared for each port at which passengers embark.

Column 2 (*Head-tax status*).—Steamship lines should make no entries in this column. The space is for use of Government officials only.

Column 4 (*Age*). The answer in this column should be expressed in years or months, the latter applying only to those under 1 year of age.

Column 5 (*Sex*).—The entry should be either M (male) or F (female).

Column 6 (*Married or single*).—The answer should be M (married), S (single), Wd (widowed), or D (divorced).

Column 7 (*Calling or occupation*).—The entry should describe as accurately as possible the occupation, trade, or profession of each alien arrival, as, for example: Civil engineer, stationary engineer, locomotive engineer, mining engineer, brass polisher, steel polisher, iron molder, wood turner, etc., and not simply as engineer, polisher, molder, turner, or other indefinite designations.

A distinction should be made between farmers and farm laborers, regardless of the amount of money shown, as follows:

A farmer is one who operates a farm, either for himself or for others.

A farm laborer is one who works on a farm for the man who operates it.

Steamship companies should make this distinction on the manifests, and corrections should be made, if necessary, by inspectors and registry clerks during the personal examination of alien arrivals.

Column 8 (*Able to read and write*).—This column is subdivided and contains the following question: "Read what language [or, if exemption is claimed, upon what ground]." In answering this question the language or dialect the alien is able to read should be stated. If alien is unable to read and claims exemption from the reading requirement, the ground for such exemption should be given.

Column 9 (*Nationality*).—Question 9 should be construed to mean the country of which alien is a citizen or subject.

Column 10 (*Race or people*).—See list of races printed on back of this sheet. The entry should show the race or people as given in said list.

Special attention should be paid to the distinction between race and the country of which citizen or subject, country of last permanent residence, and country of birth, and manifests should be carefully revised by inspectors and registry clerks in this regard. For instance, "France" appearing under the head of country does not mean "French" by race or people, and, similarly, "French" appearing under the head of race or people does not mean "France" by country. An Irish, German, or Hebrew alien by race might properly come under the heading of England, Switzerland, or any other country. In this connection the following distinctions should be especially observed:

CUBAN.

The term "Cuban" refers to the Cuban people (not Negroes).

WEST INDIAN.

"West Indian" refers to the people of the West Indies other than either Cubans or Negroes.

SPANISH AMERICAN.

"Spanish American" refers to the people of Central and South America of Spanish descent.

AFRICAN (BLACK).

"African (black)" refers to the African Negro, whether coming from Cuba or other islands of the West Indies, North or South America, Europe, or Africa. Any alien with admixture of blood of the African Negro should be classified under this heading.

ITALIAN (NORTH).

The people who are native to the basin of the River Po in northern Italy (i. e., compartments of Piedmont, Lombardy, Venetia, and Emelia) and their descendants, whether residing in Italy, Switzerland, Austria-Hungary, or any other country, should be classed as "Italian (north)." Most of these people speak a Gallic dialect of the Italian language.

ITALIAN (SOUTH).

The people who are native to that portion of Italy south of the basin of the River Po (i. e., compartments of Liguria, Tuscany, the Marches, Umbria, Rome, the Abruzzi and Molise, Campania, Apulia, Basilicata, Calabria, Sicily, and Sardinia) and their descendants should be classed as "Italian (south."

Column 11 (*Last permanent residence*).—Actual or an intended residence of one year shall constitute permanent residence. The last country in which alien resided with the intention of remaining one year or more shall be the last permanent residence regardless of length of actual residence therein. The entries in column 11 should show the country and city or town of last permanent residence indefinite. statistical purposes that steamship companies accurately show country of last permanent residence independent of country of temporary residence, country of birth, nationality, or race.

Country of last permanent residence of aliens who are permanent residents of the United States and are returning from a visit abroad should be recorded "United States."

Column 12 (*Name and complete address of nearest relative or friend in country whence alien came*).—The entry should give name and address of such relative. If no such relative living, give name and address of friend.

Column 13 (*Final destination*).—The answer to this question shall show the intended future permanent residence. An intended residence of one year shall constitute permanent residence. The entry should show definitely the place (city or town) of intended future permanent residence, if within the United States; country, if outside the United States.

Column 15 (*Whether having a ticket to such final destination*).—The answer should be either Yes (ticket) or No (no ticket).

Column 16 (*By whom was passage paid*).—The entry should show definitely by whom passage was paid, as self; husband, father, brother, or other relative; friend; steamship company, etc.

Column 17 (*Whether in possession of $50, and if less, how much*).—The answer should give in each case (individual or family) the exact amount of money shown. Money brought by the head of a family should not be divided among the several members of the family.

Column 18 (*Whether ever before in the United States; and if so, when and where*).—The entries should show whether or not (Yes or No) in the United States before; and if so, the year (or period of years) and place, as, 1894-1897, Philadelphia.

Column 19 (*Whether going to join relative or friend; and if so, what relative or friend*).—The answer should show whether going to join either a relative or friend; and if so, what relative or friend, with name and complete address.

Columns 20 to 33.—These questions are self-explanatory and the answers, like all others on the sheet, are subject to revision by inspection officers in the examination of aliens. However, in answering question 26, if alien has been deported within one year and the Secretary of Labor has authorized him to reapply for admission, the authority for such reapplication should be given.

AFFIDAVIT OF SURGEON

I, Bobec Joseph, Surgeon of the "LA TOURAINE", "sailing therewith" (State whether Surgeon "sailing therewith" or "employed by owners thereof," as the case may be), do solemnly, sincerely, and truly swear that I have had seven years' experience as a Physician and Surgeon, and that I am entitled to practice as such by and under the authority of Faculty of Bordeaux, and that I have made a personal examination of each of the aliens named herein, and that the foregoing Lists or Manifest Sheets, thirty in number, according to the best of my knowledge and belief, are full, correct, and true in all particulars, relative to the mental and physical condition of such aliens.

If no surgeon sails with the vessel, the affidavit of verification shall be executed at the port of departure before some officer authorized to administer oaths.

LIST OF RACES OR PEOPLES

CLOSED AT NUMBER THIRTY

NOTE.—Full text of question 24 is as follows: Whether a person who believes in or advocates the overthrow by force or violence of the Government of the United States or of all forms of law, or who disbelieves in or is opposed to organized government, or who advocates the assassination of public officials, or who advocates or teaches the unlawful destruction of property, or is a member of or affiliated with any organization entertaining and teaching disbelief in or opposition to organized government or which teaches the unlawful destruction of property, or who advocates or teaches the duty, necessity, or propriety of the unlawful assaulting or killing of any officer or officers, either of specific individuals or of [illegible] of the United States or of any other organized government because of his or their official character.

AFFIDAVIT OF THE MASTER OR COMMANDING OFFICER, OR FIRST OR SECOND OFFICER

I, Jubelle Jean, second officer, of the "LA TOURAINE", from Havre, do solemnly, sincerely, and truly swear that I have caused the surgeon of said vessel sailing therewith, or the surgeon employed by the owners thereof, to make a physical and mental examination of each and all of the aliens named in the foregoing Lists or Manifest Sheets, thirty in number, and that from the report of said surgeon and from my own investigation, I believe that no one of said aliens is of any of the classes excluded from admission into the United States by section three of the Immigration Act, and that also, according to the best of my knowledge and belief, the information in said Lists or Manifests concerning each of said aliens named therein is correct and true in every respect.

INSTRUCTIONS FOR FILLING ALIEN MANIFESTS

Separate sheets should be prepared for each port at which passengers embark.

Column 2 (*Head-tax status*).—Steamship lines should make no entries in this column. The space is for use of Government officials only.

Column 4 (*Age*).—The answer in this column should be expressed in years or months, the latter applying only to those under 1 year of age.

Column 5 (*Sex*).—The entry should be either M (male) or F (female).

Column 6 (*Married or single*).—The answer should be M (married), S (single), Wd (widowed), or D (divorced).

Column 7 (*Calling or occupation*).—The entry should describe as accurately as possible the occupation, trade, or profession of each alien arrival, as, for example: Civil engineer, stationary engineer, locomotive engineer, mining engineer, brass polisher, steel polisher, iron molder, wood turner, etc., and not simply as engineer, polisher, molder, turner, or other indefinite designations.

A distinction should be made between farmers and farm laborers, regardless of the amount of money shown, as follows:

A farmer is one who operates a farm, either for himself or for others.

A farm laborer is one who works on a farm for the man who operates it.

Steamship companies should make this distinction on the manifests, and corrections should be made, if necessary, by inspectors and registry clerks during the personal examination of alien arrivals.

Column 8 (*Able to read and write*).—This column is subdivided and contains the following question: "Read what language [or, if exemption is claimed, upon what ground]." In answering this question the language or dialect the alien is able to read should be stated. If alien is unable to read and claims exemption from the reading requirement, the ground for such exemption should be given.

Column 9 (*Nationality*).—Question 9 should be construed to mean the country of which alien is a citizen or subject.

Column 10 (*Race or people*).—See list of races printed on back of this sheet. The entry should show the race or people as given in said list.

Special attention should be paid to the distinction between race and the country of which citizen or subject, country of last permanent residence, and country of birth, and manifests should be carefully revised by inspectors and registry clerks in this regard. For instance, "France" appearing under the head of country does not mean "French" by race or people, and, similarly, "French" appearing under the head of race or people does not mean "France" by country. An Irish, German, or Hebrew alien by race might properly come under the heading of England, Switzerland, or any other country. In this connection the following distinctions should be especially observed:

CUBAN.

The term "Cuban" refers to the Cuban people (not Negroes).

WEST INDIAN.

"West Indian" refers to the people of the West Indies other than either Cubans or Negroes.

SPANISH AMERICAN.

"Spanish American" refers to the people of Central and South America of Spanish descent.

AFRICAN (BLACK).

"African (black)" refers to the African Negro, whether coming from Cuba or other islands of the West Indies, North or South America, Europe, or Africa. Any alien with admixture of blood of the African Negro should be classified under this heading.

ITALIAN (NORTH).

The people who are native to the basin of the River Po in northern Italy (i. e., compartments of Piedmont, Lombardy, Venetia, and Emelia) and their descendants, whether residing in Italy, Switzerland, Austria-Hungary, or any other country, should be classed as "Italian (north)." Most of these people speak a Gallic dialect of the Italian language.

ITALIAN (SOUTH).

The people who are native to that portion of Italy south of the basin of the River Po (i. e., compartments of Liguria, Tuscany, the Marches, Umbria, Rome, the Abruzzi and Molise, Campania, Apulia, Basilicata, Calabria, Sicily, and Sardinia) and their descendants should be classed as "Italian (south."

Column 11 (*Last permanent residence*).—Actual or an intended residence of one year shall constitute permanent residence. The last country in which alien resided with the intention of remaining one year or more shall be the last permanent residence regardless of length of actual residence therein. The entries in column 11 should show the country and city or town of last permanent residence. It is important for statistical purposes that steamship companies accurately show country of last permanent residence independent of country of temporary residence, country of birth, nationality, or race.

Country of last permanent residence of aliens who are permanent residents of the United States and are returning from a visit abroad should be recorded "United States."

Column 12 (*Name and complete address of nearest relative or friend in country whence alien came*).—The entry should give name and address of such relative. If no such relative living, give name and address of friend.

Column 13 (*Final destination*).—The answer to this question shall show the intended future permanent residence. An intended residence of one year shall constitute permanent residence. The entry should show definitely the place (city or town) of intended future permanent residence, if within the United States; country, if outside the United States.

Column 15 (*Whether having a ticket to such final destination*).—The answer should be either Yes (ticket) or No (no ticket).

Column 16 (*By whom was passage paid*).—The entry should show definitely by whom passage was paid, as self; husband, father, brother, or other relative; friend; steamship company, etc.

Column 17 (*Whether in possession of $50, and if less, how much*).—The answer should give in each case (individual or family) the exact amount of money shown. Money brought by the head of a family should not be divided among the several members of the family.

Column 18 (*Whether ever before in the United States; and if so, when and where*).—The entries should show whether or not (Yes or No) in the United States before; and if so, the year (or period of years) and place, as, 1894–1897, Philadelphia.

Column 19 (*Whether going to join relative or friend; and if so, what relative or friend*).—The answer should show whether going to join either a relative or friend; and if so, what relative or friend, with name and complete address.

Columns 20 to 33.—These questions are self-explanatory and the answers, like all others on the sheet, are subject to revision by inspection officers in the examination of aliens. However, in answering question 26, if alien has been deported within one year and the Secretary of Labor has authorized him to reapply for admission, the authority for such reapplication should be given.

The immigration laws exclude from admission to the United States not only persons who are found to be within the excluded classes enumerated in section 3 of the act of February 5, 1917, but also persons who are found to be coming to the United States for the purpose of performing any labor or service of any kind, skilled or unskilled, if it shall be found by the Secretary of Labor that the admission of such persons will tend to lower the standard of wages prevailing in the locality they intend to enter, or that they are induced, solicited, contracted with, or encouraged to come by offers or promises made by mail or otherwise, or that assistance has been furnished them by any individual, association, company, or corporation, except that skilled labor may be imported if labor of like kind unemployed cannot be found in this country, and except that professional actors, artists, lecturers, singers, nurses, ministers of any religious denomination, professors for colleges or seminaries, persons belonging to any recognized learned profession, and domestic servants may be imported after the permission to land has been duly granted by the Secretary of Labor. The importation of aliens under contract or agreement to perform labor is unlawful, and the importer is subject to fine and imprisonment. The anarchistic and other objectionable classes excluded by the immigration laws include aliens who disbelieve in or are opposed to all organized government, who are members of or affiliate with any organization entertaining such disbelief, who believe in or advocate the unlawful destruction of property, or who advocate or teach the duty, necessity, or propriety of the unlawful assaulting or killing of any officer or officers, either of specific individuals or officers generally, of the Government of the United States or of any other organized government, because of his or their official character.

It is important for statistical purposes that strike-impostures accurately show country of last permanent residence, independent of country of temporary residence, country of birth, nationality, or race.

Column 18 (*Last permanent residence of aliens who are permanent residents of the United States and are returning from a visit abroad*). The entry should be recorded "United States."

Column 19 (*Name and complete address of nearest relative or friend in country whence alien came*). The entry should give name and address of such relative. If no such relative living, give name and address of friend.

Column 20 (*Final destination*). The answer to this question shall show the intended future permanent residence. The entry should show definitely the place to city or town of intended future permanent residence, if within the United States; country, if outside the United States.

Column 21 (*Whether having a ticket to such final destination*). The answer should be either Yes or No.

Column 22 (*Whether in possession of $50, and if less, how much*). The answer should give in each case or No ticket.

Column 23 (*By whose, was passage paid*). The entry should show definitely by whom passage was paid, as self, husband, father, brother, or other relative, friend, steamship company, etc.

Column 24 (*Whether in possession of $50, and if less, how much*). The answer should give in each case individual money shown. Money brought by the head of a family should include only the exact amount of money of the family.

Column 25 (*Whether ever before in the United States, and if so, when and where*). The entries should be divided among the several members of the family.

Column 26 (*Whether ever before in the United States, and if so, when and where*). The entries should show whether or not (Yes or No) in the United States before; and if so, the year or period of years and place, as 1891-1897, Philadelphia.

Column 27 (*Whether going to join relative or friend, and if so, what relative or friend*). The answer should show whether going to join either a relative or friend, and if so, what relative or friend, with name and complete address.

Columns 28 to 33. These questions are self-explanatory and the answers, like all others on the sheet, are subject to revision by inspection officers in the examination of aliens. However, in answering question 28, if alien has been deported within one year and the Secretary of Labor has authorized him to reapply for admission, the authority for such reapplication should be given.

AFFIDAVIT OF THE MASTER OR COMMANDING OFFICER, OR FIRST OR SECOND OFFICER

I, P.W.JOHNSON. (State whether Master, First, or Second Officer) MASTER, of the S/S "MARACAIBO", from MARACAIBO, Venez., do solemnly, sincerely, and truly swear that I have caused the surgeon of said vessel sailing therewith, or the surgeon employed by the owners thereof, to make a physical and mental examination of each and all of the aliens named in the foregoing Lists or Manifest Sheets, TWO in number, and that from the report of said surgeon and from my own investigation, I believe that no one of said aliens is of any of the classes excluded from admission into the United States by section three of the Immigration Act, and that also, according to the best of my knowledge and belief, the information in said Lists or Manifests concerning each of said aliens named therein is correct and true in every respect.

INSTRUCTIONS FOR FILLING ALIEN MANIFESTS

Separate sheets should be prepared for each port at which passengers embark.

Column 2 (*Head tax status.*)—Steamship lines should make no entries in this column. This space is for use of Government officials only.

Column 4 (*Age.*)—The answer in this column should be expressed in years or months, the latter applying only to those under 1 year of age.

Column 5 (*Sex.*)—The entry should be either M (male) or F (female).

Column 6 (*Married or single.*)—The answer should be M (married), S (single), Wd (widowed), or D (divorced).

Column 7 (*Calling or occupation.*)—The entry should describe as accurately as possible the occupation, trade, or profession of each alien on arrival, as, for example, Civil engineer, stair manufacturer, lawyer, mining engineer, mining engineer, brass polisher, steel polisher, iron molder, wood turner, etc. Avoid such indefinite terms as engineer, polisher, molder, turner, or other indefinite designations.

A distinction should be made between farmers and farm laborers, regardless of the amount of money possessed, as follows:

A farmer is one who operates a farm, either for himself or for others.

A farm laborer is one who works on a farm for the man who operates it.

Steamship companies should make this distinction on the manifests, and corrections should be made by inspectors and registry clerks during the personal examination of aliens at ports.

Column 8 (*Able to read and write.*)—This column is subdivided and contains the following questions: Read what language (or, if exemption is claimed upon what ground)?—In answering this question the language or dialect the alien is able to read should be stated. If alien is unable to read and claims exemption from the reading requirement, the ground for such exemption should be given.

Column 9 (*Nationality.*)—Question 9 should be construed to mean the country of which alien is a citizen or subject.

Column 10 (*Race or people.*)—See list of races printed on back of this sheet. The entry should show the race or people as given in said list.

Special attention should be paid to the distinction between race and the country of which citizen or subject, country of last permanent residence and country of birth, and manifests should be carefully prepared by inspectors and registry clerks in this regard. For instance, "France" apparently under the head of country does not mean "French" by race or people, and, similarly, "French" apparently under the head of race or people does not mean "France" by country. An Irish, German, or Italian alien by race or people does not properly come under the heading of England, Switzerland, or any other country. In this connection the following distinctions should be especially observed:

CUBAN.

The term "Cuban" refers to the Cuban people and not Negroes.

WEST INDIAN.

"West Indian" refers to the people of the West Indies other than either Cubans or Negroes.

SPANISH AMERICAN.

"Spanish American" refers to the people of Central and South America of Spanish descent.

AFRICAN (BLACK).

"African (black)" refers to the African Negro, who, for example, comes from Cuba or other islands of the West Indies, North or South America, Europe, or Africa. Any alien with admixture of blood of the African Negro should be classified under this heading.

ITALIAN, NORTH.

The people who are natives of that portion of Italy lying north of the Rivers Po, Arno, Tiber, and Pescara, including Provinces of Rome, Aquila, Teramo, Campobasso, Foggia, and all Provinces north thereof, formerly known as Northern Italy, Upper Italy, Austro-Hungarian Empire, Austria, Hungary, Bohemia, Dalmatia, Croatia, Slavonia, Transylvania, Bukowina, Dalmatia, Herzegovina, Montenegro, Albania, Turkey in Europe, Bulgaria, Servia, Roumania, Greece, Finland, Russia, Poland, Germany, Holland, Belgium, Switzerland, Spain, Portugal, Andorra, Gibraltar, Malta, Monaco, Liechtenstein, Luxemburg, Iceland, Scandinavia, Dominion of Canada, Newfoundland, Miquelon, Greenland, Republic of Mexico, Central America, West Indies, Cuba, Haiti, Santo Domingo, Porto Rico, Republic of Panama, Republic of Colombia, Ecuador, Peru, Bolivia, Brazil, Republic of Chile, Republic of Argentina, Republic of Uruguay, Republic of Paraguay, Republic of Venezuela, Dutch Guiana, British Guiana, French Guiana, Republic of Liberia, Abyssinia, Arabia, Persia, Afghanistan, Thibet, Mongolia, Siberia, Japan, China, Korea, Siam, Cochin China, Philippine Islands, Australia, New Zealand, Tasmania, Hawaiian Islands, Samoan Islands, Guam, Tutuila, Africa, Asiatic Islands, Asiatic Turkey

EXTRACT FROM IMMIGRATION ACT OF FEBRUARY 5, 1917.

SEC. 36. That upon arrival of any vessel in the United States from any foreign port or place it shall be the duty of the owner, agent, consignee, or master thereof to deliver to the principal immigration officer in charge of the port of arrival lists containing the names of all aliens employed on such vessel, stating the positions they respectively held in the ship's company, when and where they were respectively shipped or engaged, and specifying those to be paid off and discharged in the port of arrival; or lists containing so much of such information as the Secretary of Labor shall by regulation prescribe; and after the arrival of any such vessel it shall be the duty of such owner, agent, consignee, or master to report to such immigration officer, in writing, as soon as discovered, all cases in which any such alien has illegally landed from the vessel, giving a description of such alien, together with any information likely to lead to his apprehension, and before the departure of any such vessel it shall be the duty of such owner, agent, consignee, or master to deliver to such immigration officer a further list containing the names of all aliens employed on such vessel concerning whom information was required as to whom no report has been made, and the cause or circumstance of the absence of each alien from the vessel, so far as known. Any such owner, agent, consignee, or master who shall refuse or neglect to comply with the requirements of this section, or to give the information required by the Secretary of Labor, or who shall refuse or neglect to report, or who shall conceal or attempt to conceal, or who shall assist or abet any alien in concealing himself on board such vessel or in leaving the vessel without submitting to the inspection provided for in this act, or who shall refuse or neglect to detain any alien on board when ordered by the Secretary of Labor, or who shall refuse or neglect to pay the expenses of his detention or maintenance as provided in this act, shall be deemed guilty of a misdemeanor and shall be punished by a fine not exceeding $1,000 for each alien in respect to whom any such default occurs, or by imprisonment for a term not exceeding one year, or by both such fine and imprisonment, in the discretion of the court. Before any vessel shall be granted clearance papers the master thereof shall deposit with the collector of customs the sum of $10 for each alien on board, which deposit shall be refunded only upon the production of a certificate issued by an immigration officer at the port of arrival that the master has complied with the provisions of this section in respect to each alien on board, or upon the payment of a tax of $10 for each alien with respect to whom such certificate is not produced: *Provided*, That the Secretary of Labor may, in his discretion, remit the fine or any part thereof imposed upon any master for the violation of any of the provisions of this section, and may pay to the informer out of the moneys collected on account of such fine such sum as he may think proper, not exceeding one-half of the amount thereof. Any alien who shall come in contravention of any of the provisions of this section shall be deported in the manner provided by law. The penalty of $10 for each alien not produced shall not be imposed if it shall be made to appear to the satisfaction of the Secretary of Labor that it was impossible to produce such alien by reason of his death subsequent to the arrival of the vessel at a port of the United States, or by reason of his having been stricken with illness, the nature of which was such as to render his removal from the vessel dangerous to his life, and that he has been duly entered for hospital treatment. Nothing in this section shall be construed to require the detention on board any vessel of any alien member of the crew employed thereon who is destined to the United States and who has been certified to the immigration officer at the port of arrival as a bona fide member of the crew of such vessel, but the master, agent, consignee, or owner of such vessel shall be responsible for the return on board thereof of every such alien member of the crew who has been allowed to land temporarily, and for the payment of the tax in case of failure to return any such alien member of the crew, unless such alien has been certified to the immigration officer at the port of arrival as destined to some foreign country other than the United States.

NOTE.—Full text of question 24 is as follows: Whether a person who believes in or advocates the overthrow by force or violence of the Government of the United States or of all forms of law, or who disbelieves in or is opposed to organized government, or who advocates the assassination of public officials, or who advocates or teaches the unlawfulness or propriety of the unlawful assaulting or killing of any officer or officers (either of specific individuals or officers generally) of the Government of the United States or any other organized government, because of his or their official character, or who is a member of or affiliated with any organization entertaining and teaching such disbelief in or opposition to organized government, or who advocates or teaches the duty, necessity, or propriety of the unlawful assaulting or killing of any such officer or officers, or who is a member of or affiliated with any such organization?

AFFIDAVIT OF THE MASTER OR COMMANDING OFFICER, OR FIRST OR SECOND OFFICER.

I, ROUGIE 2nd Officer *, of the* L E O P O L D I N A *, from* LE HAVRE *, do solemnly, sincerely, and truly* Swear *that I have caused the surgeon of said vessel sailing therewith, or the surgeon employed by the owners thereof, to make a physical and mental examination of each and all of the aliens named in the foregoing Lists or Manifest Sheets,* Fifteen *in number, and that from the report of said surgeon and from my own investigation, I believe that no one of said aliens is of any of the classes excluded from admission into the United States by section three of the Immigration Act, and that also, according to the best of my knowledge and belief, the information in said Lists or Manifests concerning each of said aliens named therein is correct and true in every respect.*

(Strike out whether Master, First, or Second Officer)

2nd Officer.

Immigration Officer.

INSTRUCTIONS FOR FILLING ALIEN MANIFESTS

Separate sheets should be prepared for each port at which passengers embark.

Column 2 (*Head-tax status*).—Steamship lines should make no entries in this column. The space is for use of Government officials only.

Column 4 (*Age*).—The answer in this column should be expressed in years or months, the latter applying only to those under 1 year of age.

Column 5 (*Sex*).—The entry should be either M (male) or F (female).

Column 6 (*Married or single*).—The answer should be M (married), S (single), Wd (widowed), or D (divorced).

Column 7 (*Calling or occupation*).—The entry should describe as accurately as possible the occupation, trade, or profession of each alien arrival, as, for example: Civil engineer, stationary engineer, locomotive engineer, mining engineer, brass polisher, steel polisher, iron molder, wood turner, etc., and not simply as engineer, polisher, molder, turner, or other indefinite designations.

A distinction should be made between farmers and farm laborers, regardless of the amount of money shown, as follows:

A farmer is one who operates a farm, either for himself or for others.

A farm laborer is one who works on a farm for the man who operates it.

Steamship companies should make this distinction on the manifests, and corrections should be made, if necessary, by inspectors and registry clerks during the personal examination of alien arrivals.

Column 8 (*Able to read and write*).—This column is subdivided and contains the following question: "Read what language [or, if exemption is claimed, upon what ground]." In answering this question the language or dialect the alien is able to read should be stated. If alien is unable to read and claims exemption from the reading requirement, the ground for such exemption should be given.

Column 9 (*Nationality*).—Question 9 should be construed to mean the country of which alien is a citizen or subject.

Column 10 (*Race or people*).—See list of races printed on back of this sheet. The entry should show the race or people as given in said list.

Special attention should be paid to the distinction between race and the country of which citizen or subject, country of last permanent residence, and country of birth, and manifests should be carefully revised by inspectors and registry clerks in this regard. For instance, "France" appearing under the head of country does not mean "French" by race or people, and, similarly, "French" appearing under the head of race or people does not mean "France" by country. An Irish, German, or Hebrew alien by race might properly come under the heading of England, Switzerland, or any other country. In this connection the following distinctions should be especially observed:

CUBAN.

The term "Cuban" refers to the Cuban people (not Negroes).

WEST INDIAN.

"West Indian" refers to the people of the West Indies other than either Cubans or Negroes.

SPANISH AMERICAN.

"Spanis

"African
Indies, Nort
Negro should

ITALIAN (NORTH).

The people who are native to the basin of the River Po in northern Italy (i. e., compartments of Piedmont, Lombardy, Venetia, and Emelia) and their descendants, whether residing in Italy, Switzerland, Austria-Hungary, or any other country, should be classed as "Italian (north)." Most of these people speak a Gallic dialect of the Italian language.

ITALIAN (SOUTH).

The people who are native to that portion of Italy south of the basin of the River Po (i. e., compartments of Liguria, Tuscany, the Marches, Umbria, Rome, the Abruzzi and Molise, Campania, Apulia, Basilicata, Calabria, Sicily, and Sardinia) and their descendants should be classed as "Italian (south."

Column 11 (*Last permanent residence*).—Actual or an intended residence of one year shall constitute permanent residence. The last country in which alien resided with the intention of remaining one year or more shall be the last permanent residence regardless of length of actual residence therein. The entries in column 11 should show the country and city or town of last permanent residence. It is important for statistical purposes that steamship companies accurately show country of last permanent residence independent of country of temporary residence, country of birth, nationality, or race.

Country of last permanent residence of aliens who are permanent residents of the United States and are returning from a visit abroad should be recorded "United States."

Column 12 (*Name and complete address of nearest relative or friend in country whence alien came*).—The entry should give name and address of such relative. If no such relative living, give name and address of friend.

Column 13 (*Final destination*).—The answer to this question shall show the intended future permanent residence. An intended residence of one year shall constitute permanent residence. The entry should show definitely the place (city or town) of intended future permanent residence, if within the United States; country, if outside the United States.

Column 15 (*Whether having a ticket to such final destination*).—The answer should be either Yes (ticket) or No (no ticket).

Column 16 (*By whom was passage paid*).—The entry should show definitely by whom passage was paid, as self; husband, father, brother, or other relative; friend; steamship company, etc.

Column 17 (*Whether in possession of $50, and if less, how much*).—The answer should give in each case (individual or family) the exact amount of money shown. Money brought by the head of a family should not be divided among the several members of the family.

Column 18 (*Whether ever before in the United States; and if so, when and where*).—The entries should show whether or not (Yes or No) in the United States before; and if so, the year (or period of years) and place, as, 1894–1897, Philadelphia.

Column 19 (*Whether going to join relative or friend; and if so, what relative or friend*).—The answer should show whether going to join either a relative or friend; and if so, what relative or friend, with name and complete address.

Columns 20 to 33.—These questions are self-explanatory and the answers, like all others on the sheet,

I, FRIKER Georges, Surgeon of the LEOPOLDINA, sailing therewith, (State whether Surgeon "sailing therewith" or "employed by owners thereof," as the case may be)

solemnly, sincerely, and truly swear that I have had Ten years' experience as a Physician and Surgeon, and that I am entitled to practice as such by and under the authority of Faculty of Paris (France), and that I have made a personal examination of each of the aliens named herein, and that the foregoing Lists or Manifest Sheets, Fifteen in number, according to the best of my knowledge and belief, are full, correct, and true in all particulars, relative to the mental and physical condition of such aliens.

Sworn to before me this 1st day of Dec., 1920

NOTE.—If a surgeon sails with the vessel, this affidavit of verification shall be executed before an immigration officer at port of arrival, and any changes that may have occurred en route in the condition of any of the aliens must be noted on the manifest before the affidavit is executed.

If no surgeon sails with the vessel, the affidavit of verification shall be executed at the port of departure before some officer authorized to administer oaths.

LIST OF RACES OR PEOPLES

NOTE.—Full text of question 24 is as follows: Whether a person who believes in or advocates the overthrow by force or violence of the Government of the United States or of all forms of law, or who disbelieves in or is opposed to organized government, or who advocates the assassination of public officials, or who advocates or teaches the unlawful destruction of property, or is a member of or affiliated with any organization entertaining and teaching disbelief in or opposition to organized government or which [illegible] the duty, necessity, or propriety of the unlawful assaulting or killing of any officer or officers, either of [illegible] or of any other organized government because of his or their official character.

AFFIDAVIT OF THE MASTER OR COMMANDING OFFICER, OR FIRST OR SECOND OFFICER

I, FOUQUE Marcel (Second Officer), (State whether Master, First, or Second Officer), of the L A F A Y O L I N E, from le Havre, do solemnly, sincerely, and truly swear that I have caused the surgeon of said vessel sailing therewith, or the surgeon employed by the owners thereof, to make a physical and mental examination of each and all of the aliens named in the foregoing Lists or Manifest Sheets, Fifteen in number, and that from the report of said surgeon and from my own investigation, I believe that no one of said aliens is of any of the classes excluded from admission into the United States by section three of the Immigration Act, and that also, according to the best of my knowledge and belief, the information in said Lists or Manifests concerning each of said aliens named therein is correct and true in every respect.

Second Officer.

INSTRUCTIONS FOR FILLING ALIEN MANIFESTS

Separate sheets should be prepared for each port at which passengers embark.

Column 2 (*Head-tax status*).—Steamship lines should make no entries in this column. The space is for use of Government officials only.

Column 4 (*Age*).—The answer in this column should be expressed in years or months, the latter applying only to those under 1 year of age.

Column 5 (*Sex*).—The entry should be either M (male) or F (female).

Column 6 (*Married or single*).—The answer should be M (married), S (single), Wd (widowed), or D (divorced).

Column 7 (*Calling or occupation*).—The entry should describe as accurately as possible the occupation, trade, or profession of each alien arrival, as, for example: Civil engineer, stationary engineer, locomotive engineer, mining engineer, brass polisher, steel polisher, iron molder, wood turner, etc., and not simply as engineer, polisher, molder, turner, or other indefinite designations.

A distinction should be made between farmers and farm laborers, regardless of the amount of money shown, as follows:

A farmer is one who operates a farm, either for himself or for others.

A farm laborer is one who works on a farm for the man who operates it.

Steamship companies should make this distinction on the manifests, and corrections should be made, if necessary, by inspectors and registry clerks during the personal examination of alien arrivals.

Column 8 (*Able to read and write*).—This column is subdivided and contains the following question: "Read what language [or, if exemption is claimed, upon what ground]." In answering this question the language or dialect the alien is able to read should be stated. If alien is unable to read and claims exemption from the reading requirement, the ground for such exemption should be given.

Column 9 (*Nationality*).—Question 9 should be construed to mean the country of which alien is a citizen or subject.

Column 10 (*Race or people*).—See list of races printed on back of this sheet. The entry should show the race or people as given in said list.

Special attention should be paid to the distinction between race and the country of which citizen or subject, country of last permanent residence, and country of birth, and manifests should be carefully revised by inspectors and registry clerks in this regard. For instance, "France" appearing under the head of country does not mean "French" by race or people, and, similarly, "French" appearing under the head of race or people does not mean "France" by country. An Irish, German, or Hebrew alien by race might properly come under the heading of England, Switzerland, or any other country. In this connection the following distinctions should be especially observed:

CUBAN.

The term "Cuban" refers to the Cuban people (not Negroes).

WEST INDIAN.

"West Indian" refers to the people of the West Indies other than either Cubans or Negroes.

SPANISH AMERICAN.

"Spanish American" refers to the people of Central and South America of Spanish descent.

AFRICAN (BLACK).

"African (black)" refers to the African Negro, whether coming from Cuba or other islands of the West Indies, North or South America, Europe, or Africa. Any alien with admixture of blood of the African Negro should be classified under this heading.

ITALIAN (NORTH).

The people who are native to the basin of the River Po in northern Italy (i. e., compartments of Piedmont, Lombardy, Venetia, and Emelia) and their descendants, whether residing in Italy, Switzerland, Austria-Hungary, or any other country, should be classed as "Italian (north)." Most of these people speak a Gallic dialect of the Italian language.

ITALIAN (SOUTH).

The people who are native to that portion of Italy south of the basin of the River Po (i. e., compartments of Liguria, Tuscany, the Marches, Umbria, Rome, the Abruzzi and Molise, Campania, Apulia, Basilicata, Calabria, Sicily, and Sardinia) and their descendants should be classed as "Italian (south)."

Column 11 (*Last permanent residence*).—Actual or an intended residence of one year shall constitute permanent residence. The last country in which alien resided with the intention of remaining one year or more shall be the last permanent residence regardless of length of actual residence therein. The entries in column 11 should show the country and city or town of last permanent residence. It is important for statistical purposes that steamship companies accurately show country of last permanent residence independent of country of temporary residence, country of birth, nationality, or race.

Country of last permanent residence of aliens who are permanent residents of the United States and are returning from a visit abroad should be recorded "United States."

Column 12 (*Name and complete address of nearest relative or friend in country whence alien came*).—The entry should give name and address of such relative. If no such relative living, give name and address of friend.

Column 13 (*Final destination*).—The answer to this question shall show the intended future permanent residence. An intended residence of one year shall constitute permanent residence. The entry should show definitely the place (city or town) of intended future permanent residence, if within the United States; country, if outside the United States.

Column 15 (*Whether having a ticket to such final destination*).—The answer should be either Yes (ticket) or No (no ticket).

Column 16 (*By whom was passage paid*).—The entry should show definitely by whom passage was paid, as self; husband, father, brother, or other relative; friend; steamship company, etc.

Column 17 (*Whether in possession of $50, and if less, how much*).—The answer should give in each case (individual or family) the exact amount of money shown. Money brought by the head of a family should not be divided among the several members of the family.

Column 18 (*Whether ever before in the United States; and if so, when and where*).—The entries should show whether or not (Yes or No) in the United States before; and if so, the year (or period of years) and place, as, 1894–1897, Philadelphia.

Column 19 (*Whether going to join relative or friend; and if so, what relative or friend*).—The answer should show whether going to join either a relative or friend; and if so, what relative or friend, with name and complete address.

Columns 20 to 33.—These questions are self-explanatory and the answers, like all others on the sheet, are subject to revision by inspection officers in the examination of aliens. However, in answering question 26, if alien has been deported within one year and the Secretary of Labor has authorized him to reapply for admission, the authority for such reapplication should be given.

NOTE.—Full text of question 24 is as follows: Whether a person who believes in or advocates the overthrow by force or violence of the Government of the United States or of all forms of law, or who disbelieves in or is opposed to organized government, or who advocates the assassination of public officials, or who advocates or teaches the unlawful destruction of property, or is a member of or affiliated with any organization entertaining and teaching disbelief in or opposition to organized government or which teaches the unlawful destruction of property, or who advocates or teaches the duty, necessity, or propriety of the unlawful assaulting or killing of any officer or officers, either of specific individuals or of officers generally, of the Government of the United States or of any other organized government because of his or their official character.

AFFIDAVIT OF THE MASTER OR COMMANDING OFFICER, OR FIRST OR SECOND OFFICER

I, FOUQUE Marcel (State whether Master, First, or Second Officer), of the L E O P O L D I N A, from LE HAVRE, do solemnly, sincerely, and truly Swear that I have caused the surgeon of said vessel sailing therewith, or the surgeon employed by the owners thereof, to make a physical and mental examination of each and all of the aliens named in the foregoing Lists or Manifest Sheets, Fifteen in number, and that from the report of said surgeon and from my own investigation, I believe that no one of said aliens is of any of the classes excluded from admission into the United States by section three of the Immigration Act, and that also, according to the best of my knowledge and belief, the information in said Lists or Manifests concerning each of said aliens named therein is correct and true in every respect.

INSTRUCTIONS FOR FILLING ALIEN MANIFESTS

Separate sheets should be prepared for each port at which passengers embark.

Column 2 (*Whether citizen*).—Steamship lines should make no entries in this column. The space is reserved for Government officials only.

Column 4 (*Age*). The answer in this column should be expressed in years or months, the latter applicable only to those under 1 year of age.

Column 5 (*Sex*). The entry should be either M (male) or F (female).

Column 6 (*Married or single*). The answer should be M (married), S (single), Wd (widowed), or D (divorced).

Column 7 (*Calling or occupation*). The entry should describe as accurately as possible the occupation, trade, or profession of each alien arrival, as for example: Civil engineer, stationary engineer, mining engineer, farmer, blacksmith, cooper, brass polisher, wood polisher, iron molder, wood turner, etc., and not simply "engineer," "polisher," "molder," "turner," or other indefinite designation.

A distinction should be made between farmers and farm laborers, regardless of the amount of money they may have.

A farmer is one who operates a farm, either for himself or for others.

A farm laborer is one who works on a farm for the team who operates it.

Steamship companies should make this distinction on the manifests, and corrections should be made by inspectors at ports where they have not been so made.

Column 8 (*Able to read or write*). This column is divided and contains the following question: Can he read? Can he write? In answer to this question (Yes or No) should be entered opposite the name of each alien able to read and write. If unable to read and write, the fact should be stated. Children too young to read or write should be entered in the latter column.

Column 9 (*Nationality*). Question 9 should be construed to mean the country of which the alien is a citizen or subject.

Column 10 (*Race or people*). See list of races printed on back of the sheet. The entry should be the race or people to which said alien belongs, as indicated by the classification of the country of which a citizen or subject.

Special attention should be paid to the distinction between the country of which a citizen or subject, country of last permanent residence, and country of birth, and manifests should be carefully scrutinized by inspectors and reviewing clerks in this regard. For instance, "France" appearing under the column headed "Race or people" does not mean "French" by race or people, and, similarly, "French" appearing under the column headed "Nationality" does not mean "France" by country. As a rule, German, or Hebrew, should be entered as the race or people, and not the name of a country. Aliens of the Hebrew race or people do not properly come under the heading of England, Switzerland, or any other country. In this connection the following directions should be especially observed:

CUBAN

The term "Cuban" refers to the Cuban people and Negroes.

WEST INDIAN

"West Indian" refers to the people of the West Indies other than either Cubans or Negroes.

SPANISH-AMERICAN

"Spanish-American" refers to the people of Central and South America of Spanish descent.

AFRICAN—BLACK

"African (black)" refers to the African Negro who therefrom came from Cuba or other island of the West Indies, North or South America, Europe, or Africa. Any alien with admixture of blood of the African Negro will be classified under this heading.

ITALIAN—NORTH.

The people who are native to the basin of the River Po in northern Italy (i. e., compartments of Piedmont, Lombardy, Venetia, and Emilia) and their descendants, whether residing in Italy, Switzerland, America, or elsewhere, should be classed as "Italian (north)." Most of these people speak French or the Italian language.

ITALIAN—SOUTH.

The people who are native to that portion of Italy south of the basin of the River Po (i. e., compartments of Liguria, Tuscany, the Marches, Umbria, Rome, the Abruzzi and Molise, Campania, Apulia, Basilicata, Calabria, Sicily, and Sardinia) and their descendants should be classed as "Italian (south)."

Column 11 (*Last permanent residence*). Actual or an intended residence of one year shall constitute permanent residence. The last country in which alien resided with the intention of remaining one year or more should be entered, regardless of length of actual residence therein. The entries in column 11 should be the last permanent residence regardless of length of actual residence therein. The entries in column 11 should be the country and city or town of last permanent residence, if possible. If not, state whether country or province.

Column 12 (*Immigrant to whether going*). The immigrant's destination should be entered, regardless of intermediate stops. If to join relative or friend, name and address of such relative or friend should be given.

Column 13 (*Ever in U. S. before?*). Steamship companies should accurately show country of birth, nationality, or race of last permanent residence of alien who are permanent residents of the United States and country of last permanent residence of alien who are temporary residents of the United States.

Column 14 (*Whether going to join relative or friend in country whence alien came*). The entry should show name and address of such relative or friend in country whence alien came.

Column 15 (*Relative in country whence came*). The entry should show name and address of such relative. If no such relative living, give name and address of friend.

Column 16 (*Final destination*). The answer to this question shall show the intended future permanent residence. An intended residence of one year shall constitute permanent residence. The entry should show definitely the place in the United States.

Column 17 (*Whether in possession of $50, and if less how much*). The answer should be either Yes or No.

Column 18 (*Whether ticket through to final destination*). The answer should be either Yes or No.

Column 19 (*If not, by whom passage paid*). The entry should show definitely by whom passage was paid, as each, husband, father, brother, or other relative, friend; steamship company, etc.

Column 20 (*Whether in possession of ticket, and if not, how much is*). The answer should give in each case the individual or family the exact amount of money shown. Money brought by the head of a family should not be divided among the several members of the family.

Column 21 (*Whether ever before in the United States; and if so, when and where*). The entries should show whether or not (Yes or No) in the United States before, and if so, the year or period of years and place, as 1894, 1897, Philadelphia.

Column 22 (*Whether coming to join relative or friend, and if so, what relative or friend*). The answer should show whether coming to join relative or friend, and if so, what relative or friend, with name and complete address.

Columns 20 to 34. The questions are self-explanatory and the answers, like all others on the sheet, are subject to examination by inspection officers in the examination of aliens. However, in answering question 29, if alien has been deported within one year and the Secretary of Labor has authorized him to apply for admission, the authority for such application should be given.

I, FRICKER, Georges , *Surgeon of the* L E O P O L D I N A , Sailing Therewith , *do*
(State whether Surgeon "sailing therewith" or "employed by owners thereof" as the case may be.)

solemnly, sincerely, and truly Swear *that I have had* Ten *years' experience as a Physician and Surgeon, and that I am entitled to practice as such by and under the authority of* Faculty of Paris , *and that I have made a personal examination of each of the aliens named herein, and that the foregoing Lists or Manifest Sheets,* Fifteen *in number, according to the best of my knowledge and belief, are full, correct, and true in all particulars, relative to the mental and physical condition of such aliens.*

NOTE.—If a surgeon sails with the vessel, this affidavit of verification shall be executed before the examining surgeon at the port of sailing, and any change that may be made in the condition of any of the aliens must be noted upon the margin hereof prior to the affidavit being executed.

If no surgeon sails with the vessel, the affidavit of verification shall be executed at the port of departure before some other authorized officer, and not before the master.

LIST OF RACES OR PEOPLES

"Race or people" is to be determined by the stock from which aliens sprang and the language they speak. The original stock or blood shall be the basis of the classification, the mother tongue to be used only to assist in determining the original stock.

Vessel, etc.—The steamship line should make no entry in this column.

Line.—The consecutive numbers of the aliens on the list are necessary.

Age.—The age of an infant in this column should be expressed in years if over one year, and if under one year in months, thus: "1 year 3 months," "11 months," etc.

Sex.—The entry should be either M (male) or F (female).

Married or single.—The answer should be M (married), S (single), W (widowed), or D (divorced).

For example: Civil engineer, shoemaker, tailor, clerk, merchant, farmer, bricklayer, plasterer, cabinetmaker, painter, glazier, paperhanger, blacksmith, butcher, baker, miller, tanner, weaver, dressmaker, milliner, seamstress, etc. Laborers, servants, and children, and all persons having no occupation, should be so described. Common laborers should be distinguished from skilled laborers, regardless of the amount of money in possession.

Can read.—Persons who can read any language should be entered as such. Persons who can not read should be entered as illiterate.

Race or people.—The entry should be made to show the nationality or race of each alien as stated by himself. Care should be taken to avoid the use of the name of country to which the race or people belong, except when the two are identical. Thus, the term "Negro" should be used instead of "African"; "Chinese" instead of "Mongolian"; "Hebrew" instead of "Russian," "Polish," "German," etc., according to the language or dialect spoken; "Spanish" instead of "Cuban," "Mexican," "Central American," "South American," etc., according to the place of birth; "Scandinavian" instead of "Swedish," "Norwegian," or "Danish," according to the place of birth; "Scotch" instead of "English," "Welsh," or "British," according to the place of birth; "Syrian" instead of "Turkish," "Arabian," or "Asiatic Turk," according to the place of birth; "Turkish" instead of "Armenian," "Greek," "Arabian," or "Syrian," according to the place of birth; "Armenian" instead of "Asiatic Turk," "Syrian," "Turkish," or "Persian," according to the place of birth; "Polish" instead of "Austrian," "German," or "Russian," according to the place of birth; "Russian" instead of "Finn," according to the place of birth; "Finn" instead of "Russian," according to the place of birth; "Hebrew" instead of "German," "Austrian," "Hungarian," "Russian," "Polish," "Roumanian," "Spanish," "Portuguese," "Dutch," "English," "French," "Italian," "Turkish," "Arabian," "Persian," or "Syrian," according to the place of birth; "Irish" instead of "English," according to the place of birth; "Cuban" instead of "Spanish," according to the place of birth; "Mexican" instead of "Spanish," according to the place of birth; "Portuguese" instead of "Spanish," according to the place of birth; "Roumanian" instead of "Turkish," according to the place of birth; "Slovak" instead of "Austrian," "Hungarian," "German," or "Russian," according to the place of birth; "Spanish-American" instead of "Spanish," according to the place of birth; "Welsh" instead of "English," according to the place of birth; "West Indian" instead of "English," "French," "Spanish," "Dutch," "Danish," or "African (black)," according to the place of birth. Under the heading of "Other race or people" should be entered such races or peoples as the Ainu, Basque, Bohemian, Dalmatian, Dutch, Flemish, Georgian, Gipsy, Lapp, Moravian, Pyrenean, Servian, Slovak, Spanish-American, Welsh, West Indian, and the like. Under the heading of "Native language or dialect spoken" should be entered the name of the language or dialect spoken by the alien.

CUBAN.

The term "Cuban" refers to the Cuban people of the Island of Cuba.

HEBREW.

The term "Hebrew" refers to the Jewish people of the West Indies, Central America, South America, Europe, Asia, Africa, and the United States.

SPANISH AMERICAN.

The term "Spanish American" refers to the people of Central and South America not specifically described as Cuban, Mexican, or West Indian.

AFRICAN (BLACK).

"African (black)" refers to the African Negro, whether native to Africa, the West Indies, North or South America, Europe, or Asia. Any alien of the characteristics described as the African Negro should be classified under this heading.

ITALIAN, NORTH.

The people who are native to that portion of Italy north of the basin of the River Po, i. e., compartments of Piedmont, Lombardy, Venetia, and Emilia, and their descendants, whether residing in Italy, Switzerland, Austria-Hungary, or the other countries, should be classed as "Italian (north)." Most of these people speak a French patois or the Italian language.

ITALIAN, SOUTH.

The people who are native to that portion of Italy south of the basin of the River Po, i. e., compartments of Tuscany, Umbria, the Marches, Latium, Rome, the Abruzzi and Molise, Campania, Apulia, Basilicata, Calabria, Sicily, and Sardinia, and their descendants, should be classed as "Italian (south)."

Column 11, *Last permanent residence.*—Actual or an intended residence of one year shall constitute a permanent residence. The last country in which alien resided with the intention of remaining one year shall be the last permanent residence regardless of length of actual residence there in. The entries should show the country and city or town of last permanent residence. It is important for statistical purposes that these entries accurately show country of last permanent residence, independent entirely of temporary residence, country of birth, nationality, or race.

Column 12, *Final destination.*—The destination of aliens who are permanent residents of the United States should be entered by the name of the city, town, or village in the United States. The entry should not be "New York," "Boston," "Philadelphia," or "San Francisco," unless the alien is actually going to one of those cities.

Column 13, *Whether going to join a relative or friend, and if so what relative or friend, and name and complete address of such relative or friend.*—The answer should show whether the alien has a relative or friend in the United States, and if so what relative or friend, with name and complete address.

Column 14, *Whether in possession of $50 in cash, and if less than $50 how much.*—The answer should give in each case the amount of money the alien has in his possession, whether it be $50 or more or less than $50.

Column 15, *Whether ever before in the United States, and if so when and where.*—The entries should show whether the alien has been in the United States before, and if so the year or period of years and place, as 1903, New York; 1893–1897, Philadelphia; etc.

Column 16, *Whether ever in prison or almshouse or supported by charitable institution, and if so what institution and where.*—The answer should show whether the alien has been in prison or in an almshouse or other charitable institution, and if so what institution and where.

Column 17, *Whether a polygamist.*—The entries should show whether the alien is a polygamist, that is, whether he has more than one wife living at the same time.

Column 18, *Whether coming under contract or agreement to perform labor in the United States, its Territories, or the District of Columbia.*—The entries should show whether the alien has been induced to come to the United States, its Territories, or the District of Columbia under contract or agreement to perform labor, skilled or unskilled, of any kind whatsoever, in consideration of the receipt of money or any other thing of value.

Column 19, *Whether an assisted alien, and if so by what society, association, or person.*—The entries should show whether the alien has been assisted to come to the United States, its Territories, or the District of Columbia by any society, association, or person, and if so the name of such society, association, or person.

Column 20, etc.—The questions are self-explanatory and the answers like all others on the sheet are subject to verification by inspection officers at the examination of aliens. However, in accordance with section 25, if alien has been deported within one year and the Secretary of Labor has authorized him to reapply for admission, the authority for such reapplication should be given.
